SUMMER NEWSLETTER

July 2018

Aloha,

We are proud to present our 2018 Summer Newsletter. This year marks our 16th year of service to North Kohala-by providing training, coaching and access to funding for 87 community improvement projects. Just once a year, we ask for your support by investing in our operations. It makes a big difference in our community. Your support in the past year allowed us to:

- Facilitate a major donation for museum quality story boards
 - ➔ in Nani Svendsen's Ko Nea O Kukui Garden Restoration Project.
- Secure funding to build a 16 foot canoe for our Kohala
 - ➔ Unupa'a year round youth program with a Dreamstarter grant from the Running Strong Foundation.
- Partner with Hawaii Forest and Trail to permanently secure
 - ➔ transportation vans for summer camp programs and the Kawaihae Canoe Club Kohala youth paddlers.
- Collaborate with the State Foundation for Culture and
 - ➔ Arts to implement a permanent agreement with the State which will assist with the costs of conserving and caring for the Statue of King Kamehameha in Kapaau.

These are just a few examples of how our staff strengthens the capacity of our projects to be effective and successful. Please make a donation to NKCRC today to keep us strong in our operations. We provide the expertise, coaching and bridges to funding that our project organizers count on. Going forward in 2019, we will only publish one paper report during the summer. We will publish our winter Annual Report on line so please send your email to info@northkohala.org to stay in the loop and help us go GREEN!
